JOH: MENSINGÆ
ODE
In Dedicationem Academiæ Fredericianæ HALLÆ MAGDEBURGICÆ.

PRæpes curuli nube ſuper, polo
Deſcende picto Mnemoſyne, tua
Cum prole, cæleſtique turba
Diva tuis animoſa natis.

Pæana lætum barbita perſonent,
Pæana feſtum progenies tua,
Plectrisque certent eruditis,
Et numeris celebrent & ore
Heroa Magnum, Vandalicum Ducem,
Brenni vetuſta progenitum domo,
Dignum paternis ac avitis
Faſcibus, imperiique habenis,
Seu Martis anceps alea poſtulet
Invicta belli fulmina, ſeu chorus
Muſis ſacratus copioſum
Præſidium Ducis ac benignum.
Dux ille, lætis cui ſeges annuit
Boruſſa ſpicis, cui Viadrus Pater,
Rhenusque tauriformis ore,
Ac alii famulantur amnes,

Dux ille, veſtris dignus honoribus,
Cantuque buxoque ac fidibus novis,
Lauru triumphali comasve
Populea cohibere fronde.
Quid Marte poſſit Cæſaris Inſula
Teſtata nuper, ſepta cohortibus
Cum luce quarta, fulminante
Succubuit ſuperata dextra
Herois alti; quo data vatibus
Sacris poteſtas præpete remige
Mandare plectro æternitati
Vandalicæ monumenta palmæ.
Commune poſcat ſi validam manum,
Ducesque fortes, ipſe manu potens
Aut bella ſumit, vel peritis
Bella viris, Ducibusque mandat.
Auguſta ſed non regiaque indoles
Contenta ſolis Martis adoreis,
Emtaque multa cæde palma,
Funeribusque Ducum cruentis;
Sed Martis inter tela minantia,
Tubasque centum, ſtrataque corpora,
Urbesque verſas ac fumantes,
Et populis oneroſa longi

Tributa belli, Palladios parat,
Proferre fines, ac nova condere
Muſæa, longinquis ab oris
Ingeniis pretio evocatis.
Fundata Phæbo ſumtibus invidis
Quis templa juſtis tollet honoribus,
Aras Minervæ dedicatas
Quis ſatis ingenio vel ore,
Evolvet, Hallæ Parthenopeia
Qua læta Tempe mænia frondibus
Denſis inumbrat, qua virentes
Caſtalios Sala lambit agros;
Aras Minervæ tempore quo ferox
Evertit armis Celta tumentibus,
Hoſtesque Muſas igne fædo
Hoſpitio pepulere Nicri.
Hoc non inani fama feret tuba
Decus per orbem Magnanimi Ducis,
Omnique tandem laude vera
Poſteritas celebrabit ævo.
Dux ipſe præſens, ut Patriæ Pater,
Alterque Pæan, Rector & Arbiter,
Vindexque Muſarum ſeverus,
Luminibus comitatus aulæ,

Regni columnis ac ſapientiæ
Altique longo ſanguinis agmine,
Feſtum ſacrandis hunc Camænis
Ore diem celebrat ſereno.
Quoque auſpicato ſole renideat,
Lux illa mundo clarius aureo,
Lux dedicando dicta templo
Palladio, Clariique Patris,
Natalis auræ conſcia, quæ dedit,
Clarum nepotem ſtirpis Achillei,
Magno Parenti grande nomen,
Præſidium, columenque regno.
Lux feſta ſalve, nomine duplici
Colenda caſtis vatibus, atria
Dicata doctis quod Deabus
Illa dies recolat recurrens;
Arteſque donet divite copia,
Latina per quas crevit & Attica
Nativa Siren, quæque mores
Gentibus ac populis dederunt;
Quodque affluentes Principis ordinet
Annos ab ipſa lucis origine,
Phæbum reducit qui ſerenum,
Teutonicis venerandus oris.

Pindoque reddit priſtina ſæcula,
Viroſque claros excitat aureis
Nimbis ad æternos honores,
Præmia non moritura morte.
Sacrata Muſis ac Sophiæ domus,
Munita muris arx adamantinis,
Æternet, ac mores nepotum,
Ingenio locuplete ditet,
Memorque ſemper Vandalici Ducis,
Qui primus ædes has Heliconias
Sacravit alto Martis inter
Pectore ſollicitos tumultus,
Grata Parentem te cithara ſuum,
Talique laudet carmine; Muſica
Hæc templa nobis, hæc amica
Otia Dux FREDERICUS olim
Dedit, perenni fœdere poſteris
Canendus, ignes excubias agant
Dum noctis, alto fixa cœlo
Agmina, conſpicuo labore.
Gentis verendum Teutonicæ decus
Virtute Princeps inclyte bellica,
Arteſque pacis docte cultas,
Et Patriæ Pater ac voluptas,

Laudande

Joh: Menſingæ Ode

Laudande feſto munere, maxime
Ducum, ſacrata Pieridum domo,
Diu fruantur Te Parente
Læta tuis tua regna ſceptris;

Tranquilla regnent Te Duce tempora,
Civesque ditent, perdomito tuis,
Armisque juratis ſuperbo
Hoſte, gravi populis & aris.

Bino diſertus vertice ſidera
Parnaſſus ingens qui ferit, annuit
Virente lauru, quod ſecundum
Aonides habuere ſignum.

FINIS.
